

## PoSH NEWSLETTER – SEPTEMBER 2008

This last year has not been an easy one for the Village Hall. Last summer's storms and consequential flood damage resulted in the closure of the hall for several months; ongoing issues with insurers and huge inconvenience to the residents of the cottages.

The Parish Council became Corporate Trustees and took on responsibility for the management of the Village Hall whilst a new group of volunteers have become 'Friends' of the village hall to raise much needed funds.

All of this has made our Patrons' support more valuable than ever.
